

Charter Performance Management Group specializes in earned value management and project/program management. We use a comprehensive set of standardized methodologies, ANSI/EIA 748 compliant policies and procedures, and industry best practices to achieve repeatable success in every engagement.

Our experienced, certified consultants work closely with clients to minimize the implementation and maintenance costs by tailoring the solution to the specific requirements and goals of the organization. We understand the unique requirements of government agencies. The leadership of Charter Performance has managed and supported projects for the Department of Defense, Federal Agencies, and their contractors for the past 20 years.

Charter Performance's customers encompass a wide variety of industries: defense, federal, engineering, product development, manufacturing, pharmaceuticals, and medical.

Charter Performance is a Project Management Institute (PMI)[®] Registered Education Provider (REP)[®].
